

COVID-19 Safety and Cleaning Protocols at the Feathered Pipe 2020

These are in addition to cleaning and cooking hygiene protocols that are always required even in "normal" times. Some protocols may be adapted in the event of updated guidelines from the Department of Health.

Masks would be required inside and optional outside.

Main Lodge

- 20 to maximum 24 people in the main room with yoga mats spaced 6 feet apart. 20 is the number that will fit in the main floor, potentially 1 in the nook and 3 upstairs.
- UV sanitizer for mats
- Individualized set of props for assigned to each participant for the entire week
- Registrants are requested to bring their own mat.
- Wall-mounted hand sanitizer and/or pumps readily available, although hand washing is the best, hand-washing sinks are also available.
- Sweep and mop floor of Main Hall at lunch break each day - guests should move their own props to avoid being handled by others
- Absolutely no guests allowed in the kitchen.

Dining Hall / meals

- Wall-mounted hand sanitizer and pumps readily available, although hand washing is the best, hand-washing sink is also available.
- Plated food and/or any other precautions and suggestions from the Health Department - as it is normally, there are already a lot of hygiene protocols in place for food preparation and service and these are already strictly followed.
- Staff would wear masks when preparing food, in dining hall and/or in "public" areas when in proximity to others
- 3 people maximum at one table to ensure distance
- Seating outside and potentially an outside canopy for dining and/or classes

Bathroom - for use of people who stay outside and/or are getting body work only

- Wall-mounted hand sanitizer and/or pumps readily available, although hand washing is the best, hand-washing sinks are also available.
- Limit of two in the changing room at any one time
- Limit of 4-6 in sink/shower area at a time
- Hot tub and sauna closed

Bodywork

- Sanitizing of all massage tables and modalities used by the Jen & Michael between each session-potentially only energy work and bowl work.

Shuttle

- Maximum transport of 5-6 at any one time.
- Face-mask required
- Entire interior of van sanitized and wiped down between each transport

Accommodations

- Single accommodations only unless the couple are family or partners. This makes for a total of 13 indoor accommodations, 17, if we allow double occupancy in Main Lodge (excluding teacher(s) accommodation), 10 outdoor premium (yurts, wall tents, tipis, sai condo), and 5 outdoor regular tents
